About Me

Frontend Developer with proven expertise in building scalable, high-performance, and user-centric applications using React.js, Next.js, and modern frontend technologies. Experienced in accessibility (WCAG), responsive design, and optimizing user experience across devices. **Skilled in leveraging Generative AI tools** (ChatGPT, DALL-E, GitHub Copilot) for UI prototyping, content automation, and code optimization. Passionate about writing clean, maintainable code, collaborating in agile teams, and continuously enhancing skills to deliver innovative digital solutions.

Core Strengths

- Building scalable and performant frontend applications
- Expertise in React.js, Next.js, and modern JavaScript/TypeScript
- UI/UX mindset with attention to detail and usability

- Clean, maintainable, and reusable code practices
- Agile team collaboration and cross-functional communication
- Problem-solving and debugging complex frontend issues
- Leading and mentoring in frontend best practices
- **Generative AI Integration** – Leveraging ChatGPT, DALL-E, and GitHub Copilot for UI prototyping, content automation, and code optimization.
- Experience integrating APIs and optimizing performance
- Continuous learning and adapting to emerging technologies

Technical Skills

Category	Skills	Proficiency
Languages & Frameworks	JavaScript (ES6+), TypeScript, React.js, Next.js, Node.js	
Markup & Styling	HTML5, CSS3, SASS, Tailwind CSS, Bootstrap	
Tools & Design	Figma, Git, Firebase, Cloudinary, Vercel, Postman	
Databases	Firestore, MongoDB, MySQL	
Testing & Quality	Jest, React Testing Library, ESLint	
AI / Modern Tools	Generative AI (ChatGPT, DALL-E, MidJourney), Prompt Engineering, AI-assisted UI/UX	
Other	Agile/Scrum, REST APIs, GraphQL, CI/CD (GitHub Actions, Vercel workflows)	

Soft Skills

- **Effective Communication** – Skilled at conveying technical concepts clearly across cross-functional teams and stakeholders.
- **Collaboration & Leadership** – Experienced in agile teams, mentoring juniors, and driving projects to successful delivery.
- **Adaptability** – Quick to embrace new technologies, frameworks, and dynamic project requirements.
- **Mentorship & Knowledge Sharing** – Passionate about guiding peers, conducting code reviews, and fostering a growth mindset within teams.

Projects

Government Project	Built accessible web app for government sector; ensured WCAG compliance; used Next.js; improved UI/UX	Improved accessibility-first design, cross-browser compatibility, and scalable frontend architecture
TeacherVision	Modernized education platform using React and Tailwind; improved performance and scalability	Strengthened skills in modern frontend architecture, responsive design, and design systems
Cloudwords	Developed multilingual platform with semantic HTML and WCAG compliance	Gained expertise in i18n, accessibility standards, and global content workflows
Saint Gobain – Internal Portal	Built dashboard UI; integrated APIs; optimized frontend performance	Learned enterprise-grade UI development, real-time data visualization, and performance optimization
CloudKeeper	Led frontend team to build scalable dashboards; implemented reusable component libraries	Grew skills in technical leadership, mentorship, and scalable UI development

Demo Project	Contributed to design and development of reusable frontend components	Practiced component-driven development, code consistency, and collaborative coding
Fortis	Led UI development; converted pages' CSS to Core Web Vitals-friendly standards; integrated APIs for appointments; added React to headless CMS (Drupal)	Learned API integration in React, optimizing frontend for performance, and connecting React with headless CMS for dynamic content

Awards & Recognition

YEAR	AWARD	NOTES
2021	★ Star Performer	Awarded for quick problem-solving and dedication.
2022	🏆 Team Awards	Recognized for exceptional contribution to project delivery and team collaboration
2023	🏅 Spot Awards	Awarded for outstanding team performance and successful project outcomes
2024	🏅 Spot Awards	Acknowledged for delivering high-quality work under tight deadlines

Education

Degree / Level	Institution	Year	Score
Master of Computer	Jamia Millia Islamia	2020	8.6

Applications (MCA)			
BSc (HONS) Physics	Jamia Millia Islamia	2017	7.8
12th CBSE	Jamia Millia Islamia	2014	88.8%
10th CBSE	Dev Samaj Modern School	2012	8.6

Hobbies & Interests

- **Photography** 📷 – Passion for capturing moments and creative storytelling through visuals.
- **Debugging CSS Animations & Micro-Interactions** ⚡ – Experimenting with subtle UI effects and improving user experience.
- **Performance Optimization** 🚀 – Exploring techniques to make web apps faster and more efficient.
- **Writing & Skill Development** 📖 – Sharing knowledge through articles, blogs, and continuous learning.
